## APPOINTMENTS.

## PROVINCIAL SECRETARY'S OFFICE.

HIS HONOUR the Lieutenant-Governor in Council has been pleased to make the following appointment:—

3rd January, 1902.

JOHN PEASE BABCOCK, Esquire, to be *Fisheries Commissioner of the Province of British Columbia.*

## PROVINCIAL SECRETARY.

## DESPATCH.

*From the Secretary of State for the Colonies to His Excellency the Governor-General.*  
(Cable.)

LONDON, 2nd December, 1901.

In consequence of the establishment of martial law at all British South African ports, it has been decided, with the concurrence of the Government of Cape Colony and Natal, that after the first of January next, persons desiring to land in those Colonies must provide themselves with a permit.

Permits are to be issued in this country by a special permit officer on the production of a certificate signed by a member of Parliament, Justice of the Peace, clergyman, or minister or officer of His Majesty's Forces, to the effect that the applicant is in possession of at least £100, or is in a position to maintain himself in South Africa, that the object of his journey (object to be stated) is *bona fide*, and that he has not been deported or sent out of South Africa as indigent.

Applicants after producing satisfactory certificates are required to sign a declaration to the same effect, with the additional statement that they will not directly or indirectly assist in any way whatsoever His Majesty's enemies in South Africa, and that they are aware of the penalty for so doing under martial law. Members of one family to be shown in permit issued to the head, provided that a separate permit will be required for each son and daughter over 16.

Notice published stating that passengers from colonial ports must supply themselves with permits from the Colonial Secretary, or some officer appointed by the Colonial Government, who will satisfy himself, as far as possible, that applicants fulfil the above conditions.

Specimen copies of permit and of notice summarised above are being sent to you by mail.

Permits are available only to enable passengers to land in South Africa, and are no guarantee that they will be allowed to proceed inland.

Two copies of each permit issued will be retained, one for record in the office of issue and the second to be dispatched at the earliest opportunity to the officer at port to which the passenger is proceeding, viz., the Embarkation Officer, Capetown; the Commandant, Port Elizabeth; the Commandant, East London; the Embarkation Officer, Durban.

His Majesty's Government feels sure that it may confidently rely upon the special assistance of your Government in this matter, as the authorities in South Africa are all agreed that this measure is necessary to prevent undesirable persons from entering South Africa at the present time.

Persons proceeding from foreign ports are being notified that they should obtain permits through the British Consular Officers.

## SCHEDULE "A."

This agreement made (in duplicate) the       day of       in the year of Our Lord one thousand nine hundred and one.

Between

The Corporation of the City of New Westminster, a body corporate, hereinafter called the Corporation of the one part,

And

The "Vancouver-Westminster, Northern & Yukon Railway Company," hereinafter called the Company of the other part:

Whereas the Corporation is a body corporate subject to the provisions of the "New Westminster Act, 1888," and amending Acts, and the provisions of the "Municipal Clauses Act" and amending Acts, save and so far as said latter Acts are in conflict with the first named Acts:

And whereas the Company is a body corporate incorporated by Act of the Legislature of the Province of British Columbia, under the name of Vancouver,

Northern & Yukon Railway Company, which said Act of Incorporation is chapter 89 of the Acts of the Legislature of British Columbia, passed in the year 1899, which said last-named Act was amended by chapter 55 of the Acts of the Legislature of British Columbia, passed in the year 1900, and by said amending Act the name of the Vancouver, Northern & Yukon Railway Company was changed to the name of the above-named Company:

And whereas the Company has commenced operations towards construction of that part of the line authorised by its Act of Incorporation lying between the City of New Westminster and the City of Vancouver, and is prosecuting surveys and other preliminary work in connection with the construction of that part of said line lying to the north of the City of Vancouver:

And whereas the Company has for the purpose of being able to construct, maintain and operate its said line asked of the Corporation certain rights and privileges, and is willing to enter into certain agreements on condition of such rights and privileges being granted:

And whereas the Corporation has agreed to give to the Company certain rights and privileges hereinafter more specifically described upon the terms and conditions as hereinafter expressed:

Now, therefore, this agreement witnesseth as follows:—

The Corporation in consideration of the due performance of all the covenants and agreements herein contained on the part of the Company, hereby undertakes and agrees with the Company in manner following, that is to say:

1. The Corporation hereby agrees to lease to the Company those four (4) certain water lots lying between the Market Buildings and the Ferry Landing, and known as water Lots 41, 42 and 43, the east half of Lot 40 and the west half of Lot 44 for the term of fifteen (15) years at a rental of five (5.00) dollars per lot per annum, such lease to be renewable from time to time at the option of the Company for terms of twenty-five (25) years, at a rental to be agreed upon or fixed by arbitration in case of failure of the parties hereto to agree to such rental. Such rental to be fixed at the beginning of each term of twenty-five (25) years for which the Company exercises its option of renewal. Such lease shall contain covenants on behalf of the Company that the Company must bear the expense of any alteration rendered necessary in or about the Ferry Landing of the Corporation by reason of any buildings or improvements made by the Company upon said lots, or by the Company's use of said lots, of which necessity as to said alterations the Ferry Committee of the Council of the Corporation are to be the sole judge both as to the nature, extent and necessity.

2. In said lease the Company also shall covenant to commence the use of said lots for the purpose of their undertaking within nine months from the date hereof, and shall continue to use the same thereafter for said purposes of the Company.

3. Said lease shall also contain a proviso that said lots must not be used for any other purpose whatsoever other than purposes of the Company in the carrying on of their undertaking. And upon failure of the Company to use said lots in said manner, or upon the Company using said lots for any other purpose than that herein provided, then the lease of said water lots shall thereupon cease and determine, and the term by said lease granted shall thereupon revert in the Corporation.

4. The Corporation further hereby agrees to lease to the Company all vacant and unreserved water lots lying within the corporate limits of the Corporation west of water Lot No. 77, and to the west of the site for the proposed Fraser River bridge, such number of water lots to be leased, however, not to exceed twelve (12). Such lease shall be for the term of fifty (50) years at a rental of five (\$5) dollars per lot per annum, with the privilege to the Company of renewal thereafter from time to time of further and other terms of twenty-five (25) years each at a rental to be agreed upon between the parties hereto, or, in the event of the parties hereto not being able to agree, the rental for said lots to be settled by arbitration, such rental to be fixed at the beginning of each term of twenty-five years for which the Company exercises its option of renewal. Said lease shall also contain a proviso that said lots must not be used for any other purpose whatsoever other than the purposes of the Company in the carrying on of their undertaking, and upon failure of the Company to use said lots in said manner, or upon the Company using said lots for any other

purpose than that herein provided, then the lease of said water lots shall thereupon cease and determine, and the term by said lease granted shall thereupon revert in the Corporation.

5. The Corporation further hereby agrees to grant, and doth hereby grant, a right-of-way along the twenty-five (25) foot railway reserve on Front Street, within the limits of the Corporation, from the westerly boundary of the Penitentiary reserve in a westerly direction so far as the rights of the Corporation extend. Such right-of-way shall be for the purposes of the Company in their undertaking, with all the rights incident thereto.

Provided, however, that the Company shall allow any other railway company, upon payment of the usual tolls therefor, the use of the track or tracks laid on said right-of-way for the purpose of conducting the business of any such other railway company, and any other such railway company shall have the right to make connection with said track or tracks as may be necessary to enable such other railway company to discharge and load freight into or from any warehouse, freight-shed or premises situate on any of the water lots within the corporate limits of the Corporation adjacent to or contiguous to the track or tracks of the Company. Such right-of-way shall also be granted subject to the express condition that it shall be granted only in so far as the Corporation may do so, and without cost or expense of any kind whatsoever to the Corporation.

6. The Corporation hereby further covenants and agrees to grant to the Company a right-of-way from a point where the Company's railway crosses the Canadian Pacific Railway westerly to the twenty-five (25) foot railway reserve; such grant, however, to be subject to all the terms and conditions and to the proviso contained in the immediately preceding clause hereof.

7.
